GRAND KNIGHT'S MESSAGE

"VOLUNTEER- TIME, TALENT, AND TREASURE"

Brothers All,

We have come to the half way point of the Fraternal Year and I like to thank you all for your support during my tenure as the Grand Knight. We have accomplished a great deal for the parish and the community through the success of Bingo and Tootsie Roll Campaign with the help of both the men and Ladies Auxiliary.

With the direction of Larry Shannahan, Membership has added 5 new Knights to the council and we have an opportunity on the weekend of January 11th, and 12th to share our message with the parish to help other men join our order. Within membership we also need to retain our current Knights, so if you have had a member that hasn't attended a function or a meeting in sometime, reach out to invite them to our next meeting in January. I'm looking for volunteers for a retention committee to help reach out to Knights that haven't attended a meeting or function to reconnect with the council.

We will have an Admissions Degree that will be judged by the State on January 20th at Kilduff Hall and I would ask that each Knight attend for support and also ask a Catholic gentleman that you know to consider joining the Knights.

Some of the items that we need to work on as we turn the calendar to a new year is filling the position of Recorder for the council. This is a very important position for the flow of the council but it is also a very easy task to complete at our scheduled meetings, so if you reflected on becoming more involved in the council this is great way to start that process.

We have committed to having a Hospitality Room in conjunction with the other three councils in our District at the State Convention in May 2020 and we will be sharing more details of this as the process develops.

Thank you to Lee Eder and his Pit Crew for providing the parishioners with the sustenance of Beef/Ham/Turkey sandwiches during the Ravens run to the playoffs and beyond. They have a system that shows what a team can accomplish successfully.

I mentioned earlier that the Bingo revenue continues to provide us with the necessary resources to help the parish and the community. Specifically, in relation to Bingo, I would like to thank Larry Shannahan and his Bingo Team of volunteers for all they have done this year with the new processes that they have implemented and how that function has grown. At the Middle of 2020, Larry will be stepping down from the Bingo Czar position and we need someone to step in to his position prior to that date to learn the ropes. If interested please contact Larry or myself. We have committed to hold the council Christmas party on January 25th at 510 Johnny's from 6:30 – 11:00 PM and need your RSVP's so we can provide an accurate count to the restaurant and start to collect the \$25.00 per person.

I wish you all a Happy and Healthy New Year for 2020!

Vivat Jesus

Another New Year

Another year has come and gone and once again we make New Year resolutions, try to live better lives, and, hopefully, accomplish the change we need to become closer to God. Sounds redundant, doesn't it? Maybe that's because we need to hear it over and over to really believe it. It's not easy to change. We don't like it. We like to keep doing the same old, the same old way. It's comfortable. We don't have to think or do anything. Just keep on going as we always have.

The stage is set for us to respond to new commitments. Perhaps we need a commitment to place our trust in Jesus, to live as he lived, to give as he gave, and to love as he loved. This might be the most difficult commitment we ever agree to. Jesus challenges us to love those we love to hate; to forgive those we cannot forgive; to be kind, gentle, generous and true followers of him. Do we really believe or do we just entertain empty words and thoughts. Are we ready to change? Can we accept the challenge Jesus offers us, or are we going to be satisfied doing the same old thing the same old way day after day?

I think we all know that being a committed follower of Jesus is not easy. It takes everything we have. The good news is we are not alone. Jesus is ready to walk with us and help us fulfill what we commit to. The time has come for us to move out of our comfort level and embrace the message he gives us. It won't be easy, but then, nothing worthwhile ever is.

Peace and All Good!
Deacon Jim

PROGRAM DIRECTOR'S REPORT

"WHAT'S GOING-ON IN OUR COUNCIL"

FROM THE PROGRAM DIRECTOR: Steve Herpel, (M) 443-987-5621
E-Mail olmchssoccer@yahoo.com

HAPPY NEW YEAR! WELCOME 2020! We have just completed one of the most beautiful moments in our church year with the birth of our Savior, the Lord Jesus Christ. I just hope and wish we can keep that Christian feeling the year round. Let's try to maintain our Christmas spirit and goodwill towards all men and women through 2020 and come together in a spirit of unity in our great country.

Officially we will be completing the first half of our fraternal year with many activities still to be supported (Please ensure you look at our three-month calendar) as we complete the 2020 half of our fraternal year. Be a part of the action and the fun supporting activities you might enjoy. We need all hands on deck for the rest of the year.

Our second quarter reports are now behind us and I want to thank my activity directors for completing their required obligations and submitting timely reports. The District Deputy thanks you as well! It is now full speed ahead in the third quarter and as you can see by our three-month calendar, we will be busy. But as always it will be fun and exciting sharing these times with our Brothers and our Ladies in helping our Church, Community, Youth & Families, and Life itself. We want to "Make A Difference" in our surrounding environment we live in.

Thank you to all the Knights, Ladies, Parish members and the Community at large for your support to our third annual Wreaths Across America in our own back yard on the St. Francis de Sales campus cemetery. We had the largest turn out for this event we have ever had. I believe all will agree the event paid tribute to the men and women that served in our military and now reside in our grave yard.

Special thanks to Brother Knight Bill Hengemihle for running our "Keeping Christ In Christmas" program and bringing back the sales of the Knights of Columbus Christmas cards. A job well done.

Pit Beef, Ham & Turkey was a success this season. Our "Meat Team" once again put forth a stellar effort to satisfy your hunger with a tasty and juicy sandwich on the Sundays that the Ravens' games started at 1:00 PM. Their "home cooking" profits support our charity funds. Many thanks to the Ladies and Knights that provided their services, time and effort to this worthwhile event.

Volunteers are always needed for Bingo held on the second and fourth Fridays of the month. Bingo is one of our main fundraisers with the church and our council doing a 50-50 split.

God's Blessing to All.

January Membership Report

Hello Brothers of the Fr. Wolf Council

I trust that Christ will bless you and your families with a very Merry Christmas and a healthy and holy New Year.

As of December 1, 2019, our council has 284 members. We have had 5 brothers to join the Fr. Wolfe Council since July 1. Our Star Council goal is 19 new members and 7 insurance members. As such, we still have a good bit of work remaining to meet this goal. If you know of a practical catholic over 18 years old that may have interest in joining our council, please ask him and refer his name to me for follow up.

There are several important dates on our membership calendar. **We will be sponsoring a church membership drive the first weekend in January, January 4 & 5.** Following this drive, we will have a Candidate meeting on Tuesday Jan 7 in Knights Hall.

Our 1st degree will be held on January 20th in Kilduff Hall and this will be followed by a 2nd degree on January 21st in Kilduff Hall. The 1st degree will be judged by the state on January 20th so it would be great if we have a significant number of members attend. The 2nd degree team will be certified by the State on January 21st. It would also be great if we had a few brother attend this as well.

I'd like to thank each member of our council for your membership and support throughout the past year. I look forward to several members asking a catholic gentlemen to become a Knight and passing on his name to me.

Merry Christmas and Happy New Year.

Thanks for your support!

Ladies Auxiliary Report

Knights of Columbus Ladies Quarterly Newsletter Submission

Submitted by/Date: Denise Walsh/December 27th, 2018

It's the time of year to reflect and give thanks! Here are some highlights of our last quarter events with the Ladies Auxiliary.

Our "Box of Joy" fund raiser was a huge success. Neo's Pizza sponsored SFdS's by giving us 20% on all one day orders. We raised \$150 which helped offset the cost of shipping the boxes. After that event we collected "Wish List" items from our church family. We received an overwhelming response. Our parishioners' generosity and Council Members time packed 54 boxes that blessed children living in extreme poverty in the Dominican Republic, Haiti, and Guatemala. The packing took place at the Ladies Auxiliary Monthly meeting on Monday, October 21st. The extra donations were given to the SFdS Outreach program which blessed children in our church and Harford County area as they hosted a Christmas with Santa Breakfast. Such an exciting time for all children around the holiday.

On Saturday November 2nd some of our ladies participated in the Memorial Mass sponsored by the KofC Men's Council. It was a heartwarming and moving Mass and our Ladies were thrilled to represent men and women of the Knights of Columbus and our church who have passed on.

Our 6th annual Lady's Auxiliary Holiday Luncheon Bingo took place on Saturday, November 16th. This Bingo raised \$11,674.22!!! This is almost \$2,377.00 more than last year! What a fantastic day and huge success!!! Thank you to Connie Piotrowski for serving as the Chair, and our committee Leads – Susan Molina, Diane Traube, and Debbie Sosna who supported Connie in running this event. Thank you to all who supported by donating, sponsoring, promoting, helping and playing. By your love and participation our Budget is fulfilled and we can help so many in our church and surrounding area charities. Thank you!

At our November 18th meeting we invited the Men's Council to join us in Kilduff Hall as we hosted a fabulous guest speaker, Mary "Kilduff" Klein who spoke so eloquently about her Grandfather, Eugene J Kilduff's legacy at SFdS's and how "Kilduff Hall" got its name. Mary was such a pleasure and we all enjoyed her speech and her donated picture of her Grandfather and SFdS's Pastor Father Wolfe. We are framing it and placing it with Mary's speech in Kilduff Hall very soon. Thank you again Mary! It meant so much to all of us.

A big thank you to Pat Shannahan, Barbie Krizan and Cynthia Santiago for hosting a wonderful December Social for our Ladies Auxiliary. Great food, beautiful decorations, a fun gift exchange and the best friendship around. What a way to bring in the Holidays.

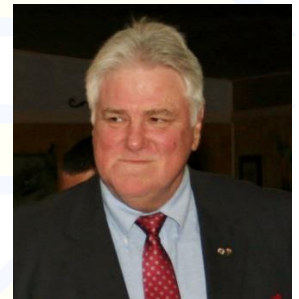

Our next meeting is January 20th in the Knights Hall at 7:15pm. As always, we welcome all ladies of the parish. Join us as we serve the Church, Community, Youth, Council, and Family. We hope you have a blessed holiday season!

District Deputy's Report

Worthy Brothers. I bring you greetings from our State Deputy, Dale W. Trott and the Maryland State Council. First, I hope everyone enjoyed their celebration of Christmas with family and friends and that your New Year will be filled with Health, Happiness and Prosperity. As we start a New Year, let us all start at home by sharing meals with family and friends, praying together and keeping the principles of Fr. McGivney alive.

Secondly, I would like to thank everyone who participated in the many activities held during the holiday season (i.e. The Laying of Wreaths to Honor Our Departed Veterans, Journey Around St Francis de Sales, etc.) and making these programs a great success for your council.

I know that you have been busy working on membership through the Delta Church Program but remember every activity you hold is an opportunity to recruit a new brother Knight. It is our duty to ask every Catholic gentleman to share what we as knights have and enjoy.

Finally, as we enjoy this Holiday Season, let's not forget the less fortunate. Sponsor an activity that will bring some happiness to those who need a helping hand.

Dale Trott, the State Council as well as Janet and myself wish you and your families a Happy, Healthy and Prosperous New Year. Please remember to give thanks to Our Lord. God Bless.

Vivat Jesus!

REFLECTIONS FROM MD STATE COUNCIL

REFLECTIONS

Lawrence P. Grayson

Stand and Be Counted Friday, January 24th

In America, and indeed throughout the world, there is a diminishing respect for life in all its stages. As a society, we prevent its beginning, manipulate the elements of conception, create life in a laboratory and extinguish it in the name of research, destroy the child in the womb from the first moments of development through partial (and occasionally full) birth, condone the taking of one's own life, and assist others to exterminate themselves. These acts are justified with terms like mercy, choice, tolerance, and personal rights, which mask the selfishness, materialism, lack of self-control and disregard for others that actually exist. This all-out offensive against life brings the nation closer to being permeated by and accepting of a "culture of death."

Every January 22 or thereabouts, for the past 47 the U.S. Supreme Court legalized abortion, and people of other religious persuasions have National March for Life to try to stir the of the country to the consequences of this the time of the decision in *Roe v. Wade* in 1973, million children in the United States have been womb. What a tragedy of epic proportions – 60 children destined to be born in the image and God, destroyed by acts of their mothers' free abetted by an infrastructure of death.

While abortion is the most heinous attack on the only one. A reverence for life is assaulted euthanasia, suicide, sterilization, homosexual acts, *in vitro* fertilization, embryonic stem cell research, and contraception. Each is an affront to man's role as God's partner in the fulfillment of creation through "pro-creating" in marriage other humans to "know, love, and serve God in this life, and to be happy with him in the next."

Euthanasia, whether it is forced for eugenic purposes as in the Holocaust, or for the convenience of others as in the case of Terri Schiavo's starvation and dehydration, or is voluntary – which is only a palatable way to describe permissive suicide – is a declaration that some lives are not worth living. It says that the utility of one's life is to be judged solely by material considerations, without recognition that man possesses a divinely-instilled dignity, regardless of one's age, physical or mental condition.

Every human life, from conception to natural death, has value. When we ignore the spiritual, decisions about abortion, euthanasia and suicide rest on social, economic and similar temporal factors, which can always be judged unusual enough or serious enough to outweigh competing materialistic considerations and allow the termination of a life. This is the case with the use of embryonic stem cells, whether for research or therapeutic purposes. In order to obtain the stem cells, human embryos are created and destroyed, which disregards the life that exists and violates respect for human dignity. No intended good for others can justify the taking of a human life, even if it is in the first stages of development.

While abortion, euthanasia and suicide destroy life, contraception and sterilization prevent life. The latter are

years, since Catholics joined in the conscience ruling. From more than 60 killed in the million likeness of will and

life, it is not through

an abdication of responsibility for personal actions, and allow free reign to one's sexual urges. They promote promiscuity with impunity. Contraception removes the fear that may deter fornication and adultery, behaviors which destroy the family, the basic unit of society. Youths and unmarried adults who are sexually active cannot be expected to discard upon marriage habits of libidinous behavior acquired before their vows. Contraception also is the precursor of abortion. When artificial means of preventing birth fails, the next step is to terminate the life before it becomes viable.

Contraception, sterilization, *in vitro* fertilization, and the redefinition of marriage to include homosexual unions all violate God's commands for marriage. In Genesis, it is written: "Therefore a man shall leave his father and his mother, and cling to his wife, and the two shall become one flesh," and again, "Be fruitful and multiply." In accord with these decrees, marriage has two purposes, unitive and generative, that is, to conjoin a man and woman in a lifelong commitment as husband and wife through a complete giving of each to the other, and for them to procreate and educate their children.

Homosexual unions, contraception and sterilization all violate the generative aspect of marriage. They are means of preventing birth from the union of a man and a woman. *In vitro* fertilization, in contrast, discards the unitive aspect. As stated in the *Catechism of the Catholic Church*, it "entrusts the life and identity of the embryo into...the domination of technology over the origin and destiny of the human person." It tries to give life to children without the complete giving of a husband and a wife, each to the other. Further, in its application *in vitro* fertilization requires multiple embryos to be created. In a businesslike approach, only the most viable ones are implanted, while the others, each of which is the beginning of a life, are discarded or frozen for future use.

One must not only abstain from these many anti-life activities, but must oppose them as acceptable practices in society. Tolerance in these matters is not a virtue. Tolerance only encourages these practices, and others, to proliferate. Planned Parenthood of Indiana, for example, marketed gift certificates during the Christmas season several years ago that could be used for contraceptive services, examinations, medications and abortions. LeRoy Carhart, the Maryland-based, late-term abortionist, offers women remembrances of their aborted babies. The destruction of life is viewed as an admissible commercial activity.

Not bringing one's faith into establishing public policy and a culture that repudiates immoral, anti-life acts is implicitly acknowledging that these behaviors are socially acceptable and that they are no more right or wrong than restraint from these practices.

As Catholics, and as Knights of Columbus, we should work to protect and strengthen the family, promote personal responsibility and accountability for one's actions, and renew in society a reverence for life in all its stages, from conception to natural death. We must help to create a reverence for and a culture of life. Join your brother Knights on the Mall in Washington, DC on January 24 for the National March for Life. Stand and be counted.

KNIGHTS OF COLUMBUS LAUNCHES TWO WHOLE LIFE INSURANCE PRODUCTS

CORE MARKET EXPECTED TO BE THOSE WHO SEEK AFFORDABLE, PERMANENT PROTECTION THAT BUILDS CASH VALUE AND LEAVES A FINANCIAL LEGACY.

NEW HAVEN, Conn. – Knights of Columbus (“K of C”), a Fortune 1000 insurer with more than \$25 billion in assets, announced today that it has launched two more permanent life insurance products in The Knights Advantage Series in the U.S. and Canada: Limited Pay Whole Life and Single Premium Whole Life.

Both the Limited Pay Whole Life and the Single Premium Whole Life plans offer a guaranteed death benefit as well as cash values with the opportunity for additional growth if future dividends are earned. Dividends are not guaranteed, but are distributed to policyholders, as there are no stockholders.

Ron Franzluebbbers, senior vice president and chief actuary, said: “These new whole life products will be competitive additions to our life insurance product portfolio, providing access to all the benefits of whole life insurance, including guaranteed cash values¹ and death benefits, at an affordable cost. Offering a strong portfolio of products allows our agents to best meet the needs of our clients, who can feel confident knowing that their life insurance protection is in the hands of an insurer with a long-term history of providing financial assistance.”

Limited Pay Whole Life

Limited Pay Whole Life policy allows the client flexibility to choose how many years to pay premiums, guaranteed and fixed at issue, subject to a five year minimum requirement. This unique product provides a lifetime level guaranteed death benefit with cash value that builds over time. There is also potential for additional death benefit and cash value growth if any dividends earned are used to purchase paid-up additional insurance.

“The beauty of Limited Pay Whole Life, which will be our flagship whole life product,” added Franzluebbbers “is the flexibility the client has at the time of sale to choose the premium payment period. A client can choose to pay for as few as five years, all the way to age 100, or any age in between. The initial payment flexibility is completely in the hands of the client and is a differentiator in the industry. After the payment period is complete, the policy is guaranteed to be paid-up with no further payments required. The product allows the client to customize the paid-up age of the policy to coordinate with their personal financial planning timeline.”

Single Premium Whole Life

The Single Premium Whole Life policy provides permanent life insurance protection that is guaranteed to be paid-up for life with just one premium payment. This product builds cash value and provides an income tax free death benefit that is guaranteed for life. It is eligible to earn dividends at the end of the first policy year.

“Single Premium Whole Life has a unique one-payment concept; the client makes one payment, which guarantees a death benefit, allowing the client to create an estate or legacy that can provide for survivors or to be donated to charity,” Franzluebbbers stated. “It also has strong cash value growth potential over time.”

A Yuletide story of the Knights of Columbus founder

By Brian Caulfield 12/23/2019

It was an especially joyous occasion for Father Michael McGivney when he entered his boyhood church for Christmas celebrations in 1877. He was 25 years old, newly ordained, and ready to offer his first Solemn Mass before family members and friends at Immaculate Conception Church in his hometown of Waterbury, Conn. The popular young man, known for his winning manner and personal piety, was among his own people of Irish immigrants, including his mother, and first-generation Irish-Americans like himself and his siblings. Along with the joy of the event, there must have been a few nervous moments for the new priest as he celebrated for the first time the refined and elaborate rites of the solemn Latin Mass.

Though he was confident of his vocation, the path to the priesthood was far from simple for young McGivney. As the eldest of 13 children, he followed his father into factory life after completing school at age 13, working two years for a spoon manufacturer. The local pastor, however, encouraged him to consider the priesthood, and in 1868 young Michael took a train with a handful of other Waterbury teens to Quebec to begin studies at the College of St. Hyacinthe. It was his first time out of the country, but he felt at home with the idea of the priesthood. He continued his formation with the study of the classics at Niagara University's Our Lady of Angels Seminary, where he played for the school's Charter Oaks baseball team. In the fall of 1872, he returned to Canada to begin philosophy studies at St. Mary's College Seminary in Montreal.

But when Michael went home to Waterbury for the sad occasion of his father's funeral in June 1873, his plans for priesthood were as unclear as his family's finances. However, seeing the great potential in young McGivney, Hartford's Bishop Francis McFarland provided a scholarship for him to study theology for four years at St. Mary's Seminary in Baltimore, where he excelled. Michael J. McGivney was ordained Dec. 22, 1877, in the Baltimore cathedral by Archbishop James Gibbons, who later became a cardinal. After ordination, Father McGivney embarked on the long trip to Waterbury, in central Connecticut, to offer his first solemn Mass – a hometown boy who made good in a growing American Church.

In the New Year, he would begin his ministry as a parish priest at St. Mary's in New Haven, where he befriended a band of resourceful, energetic Irishmen and made plans for the formation of the Knights of Columbus. Today, he is a candidate for sainthood with his cause active at the Vatican.
